***Moving from Fear... to Ferocity in Math***

OCTOBER 2008

VOLUME 1, NUMBER 1

## **Tutoring**

The 2<sup>nd</sup> Fun, Interactive Math Workshop was held on Saturday, October 18, 2008 from 12:30 pm – 1:30 pm at the Shrine of the Black Madonna Cultural Center and Bookstore located at 946 Ralph David Abernathy Rd. SW in Atlanta, GA.

## **Exam Preparation**

Students were given a workshop to enrich their skills in fractions, decimals and word problems. The problems demonstrated how math is used in every day life. After the workshop, students were given an evaluation to test their proficiency in these areas. With the results of this workshop parents were able to know their children's strengths and areas for improvement in math.

## **Summer Enrichment Programs**

At the conclusion of the workshop, students were given a copy of Math 1 On 1, LLC's publication entitled "How to Help Parents and Kids Get Over the Fear of Math" signed by the author and presenter of the workshop Sandra Carter.

Students from the following Atlanta and surrounding area schools were in attendance:
