The Math 1 On 1, LLC Scholastic Aptitude Test (SAT) Boot Camp was held on Saturday, September 22, 2012 from 12:30 pm – 6:30 pm at the Centerville Community Center located at 3025 Bethany Church Rd. in Snellville, GA.

Students interactively participated in a boot camp to enrich their skills in arithmetic, algebra, and geometry. The problems demonstrated how math is used in everyday life. They also learned about the structure of the Math portion of the SAT, time saving strategies, traps to avoid, and techniques to earn more points on the Math portion of the SAT.

Math 1 On 1, LLC's publication entitled "How to Help Parents and Kids Get Over the Fear of Math" authored by the presenter of the workshop The Math Lady®, Sandra Carter was used as a teaching tool in the workshop.

The Math Lady® was joined by Math 1 On 1, LLC Physics and Mathematics Tutor Tiffany Troutman and Math 1 On 1, LLC Chemistry and Mathematics Tutor Cedric Trice in teaching the class.

Students from the following Atlanta and surrounding area schools were in attendance:

Tucker High School
Martin Luther King High School
