

Math 1 On 1, LLC

Moving from Fear... to Ferocity in Math

SEPTEMBER 2010

VOLUME 3, NUMBER 1

Tutoring

The 3rd Fun, Interactive Math Workshop was held on Saturday, September 18, 2010 from 1:00 pm – 2:00 pm at the Centerville Community Center located at 3025 Bethany Church Rd. in Snellville, GA.

Exam Preparation

Students interactively participated in a workshop to enrich their skills in fractions, decimals and word problems. The problems demonstrated how math is used in every day life. After the workshop, students were given an evaluation to test their proficiency in these areas. Armed with the results of the evaluation, parents were empowered with the knowledge of their children's strengths and areas for improvement in math.

Summer Enrichment Programs

Students were presented with an autographed copy of Math 1 On 1, LLC's publication entitled "How to Help Parents and Kids Get Over the Fear of Math" signed by the author and presenter of the workshop "The Math Lady", Saundra Carter. The book was used as a teaching tool in the workshop.

Fun Interactive Workshops

Students from the following Atlanta and surrounding area schools were in attendance:

Grady High School
Shiloh Middle School
Creeklake Middle School
Champion Theme Middle School
Stephenson High School
Cedar Grove Middle School

"How to Help Parents and Kids Get Over the Fear of Math"

The Atlanta Journal Constitution was present to cover the event.

SAT Math Boot Camps

Many parents had this to say about the book "How to Help Parents and Kids Get Over the Fear of Math"

"... I will have a better understanding while helping my child during study time";
"My daughter already uses the book as a reference and loves it.";
"[the book will] help him with word problems".

In regard to the workshop one parent commented "... yes the kids seem to feel comfortable, which is important to learning... have more of them [workshops]".

Many of the students attended the workshop for FREE due to the generosity of sponsoring individuals and businesses. Contact Math 1 On 1, LLC for advertising opportunities and to invest in our community's future by sponsoring youth to attend the upcoming SAT Math Boot Camp on Saturday, October 16, 2010.

Math 1 On 1, LLC would like to thank the Centerville Community Center for being the host site for the event.

To schedule a Fun, Interactive Math Workshop as a fund raiser for your PTA or church youth group contact Math 1 On 1, LLC TODAY!!!
