

Math 1 On 1, LLC SAT Math Boot Camp

The screenshot shows a Zoom meeting interface. On the left, a document titled "Proportion" is displayed. The document contains the following text:

Proportion

Example:
When making lemonade for her party, Lisa wanted to make 3 times as much as she normally makes. Her recipe uses 4 quarts of water to make of 4 quarts of lemonade.
Today, she wants to increase her recipe to make 3 gallons of lemonade. How many quarts of water does she need to make 3 gallons of lemonade?
Note: 4 quarts = 1 gallon
(a) 3
(b) 4
(c) 7
(d) 12

Students improve Math SAT score after taking first Online Math 1 On 1, LLC SAT Math Boot Camp ...

The results are in for students who took the first Online SAT Math Boot Camp on Saturday, September 19, 2020. Math 1 On 1, LLC pivoted to an online classroom format to address the COVID-19 pandemic and taught 12 students in its first Online SAT Math Boot Camp class.

Our students not only learned how to "do the Math", but they also learned how to avoid traps, how to approach the Math portion of the SAT, and how to earn more points in our Online SAT Math Boot Camp class.

Some students improved their Math SAT score by **90 points** and **140 points** overall when compared to their previous SAT scores.

[Get more tips to achieve more points on the
Math portion of the SAT!](#)
